Attendance at Club meetings is open to all persons associated with the pipeline industry. Please invite your co-workers, clients, vendors, suppliers and contractors to participate.

## ***Membership Drive***

We continue to make good progress improving our membership and want to continue to improve the Club's value to its members. So please, talk it up to your colleagues and business associates. A larger Club makes for more networking opportunities. Starting in October, our non-members will be required to pay \$40 for lunch each month. We would like for this increase to be an incentive for

non-members to join to increase membership, keep our member's luncheon at \$30 and compensate for what the Club has to pay in addition to the \$30 for member's each month.

Please note that we will be using our modified membership process again this year. We no longer are requiring an annual enrollment. Instead, if you were a member last year, or the previous year, you will receive a notice for payment of dues (\$55) via e-mail. If your contact information has changed you will need to register again on the Club's website at [www.atlantapipeliners.com](http://www.atlantapipeliners.com) to update your information.

For new members, please register online at [www.atlantapipeliners.com](http://www.atlantapipeliners.com) **and** either bring to the next meeting or mail a check with your membership dues to the:

Club Treasurer, Stan Pitts
