

The background is a photograph of an industrial facility, likely a steel mill or manufacturing plant. Several workers wearing hard hats and work clothes are visible, walking across the floor. Large metal plates are in the foreground. A large, dark blue circle is superimposed in the center, containing the text 'IIYPP USA' in white. The 'II' consists of three vertical bars, each with a small circle at the base. The 'YPP' is in a bold, sans-serif font. The 'USA' is also in a bold, sans-serif font, positioned below 'YPP'.

Young Pipeline Professionals USA (YPP USA)

Our Mission

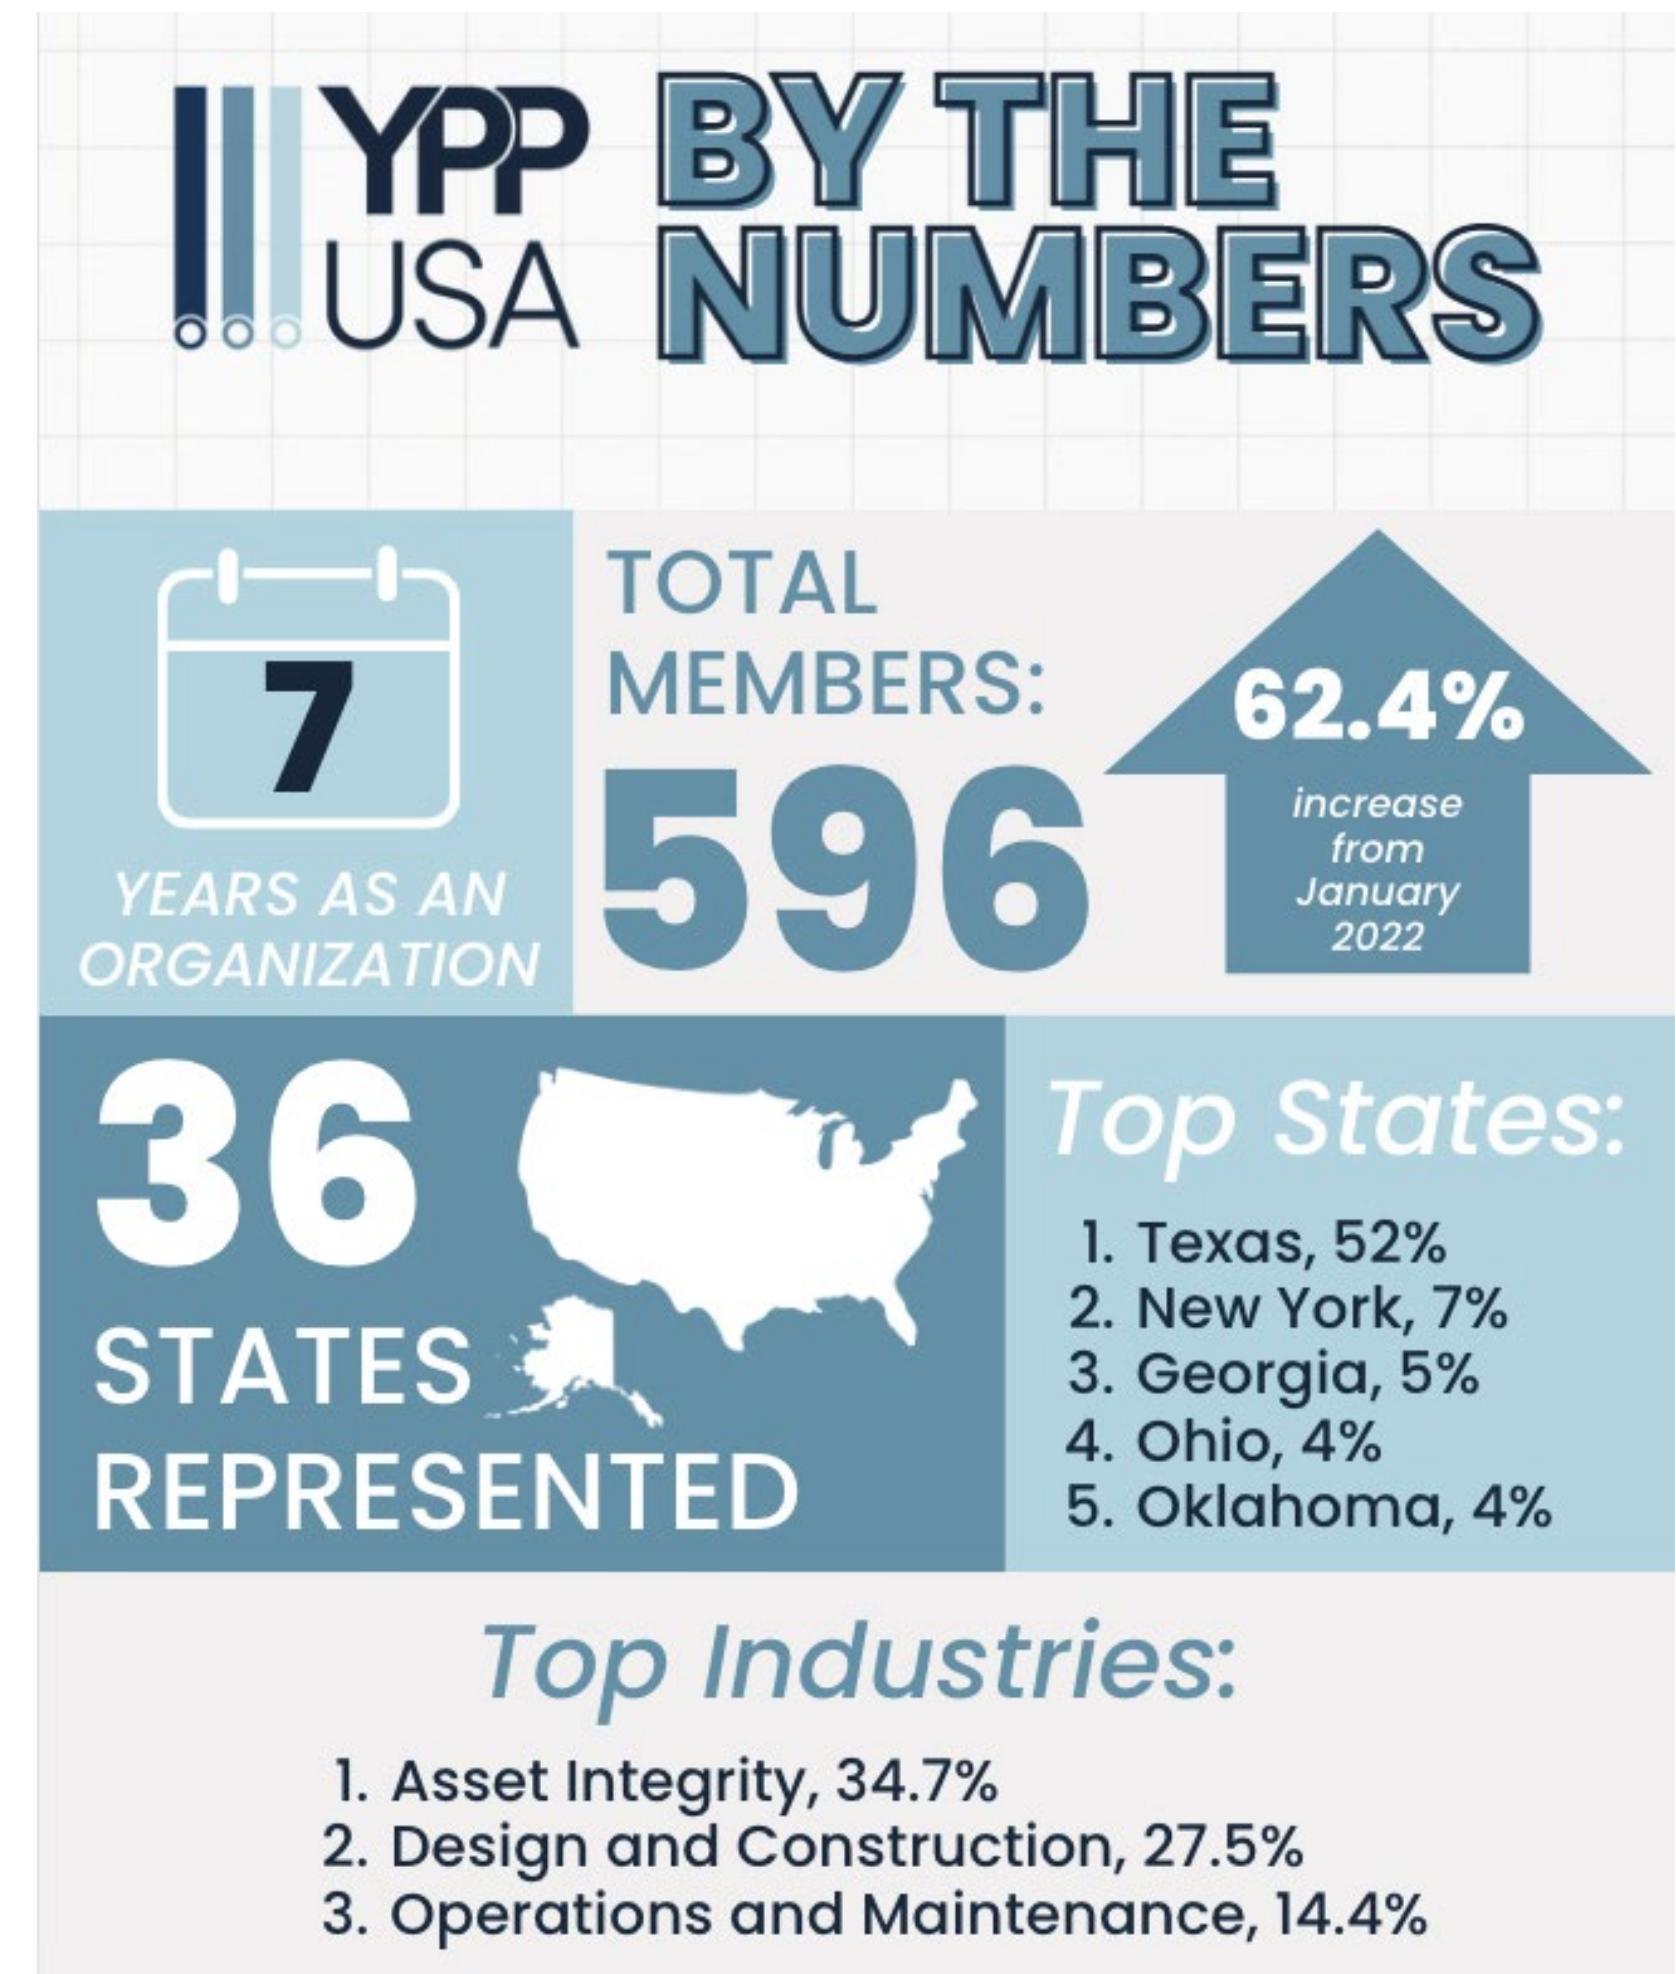

To connect, educate, & develop the future leaders of the pipeline industry

Membership Value

- Technical presentations
- Site visits
- BRIDGE Workshops (twice per year)
- Symposium (annually)
- Discounts on training courses
- Leadership opportunities
- Award opportunities
- Networking

Cost to join is **FREE** for qualifying* individuals!

*35 or Younger and employed or studying to be in the industry

ATL DECEMBER 1ST 2022

HAPPY HOUR & NFCC TOY DRIVE

ALPHARETTA TOPGOLF

EVENT DETAILS:

- Where: TopGolf Alpharetta
- TopGolf: 10000 Westside Pkwy, Alpharetta, GA 30009
- When: December 1st, 2022 (6:30pm) - (8:30pm) EST
- Dress: Business Casual
- Food and Drink will be provided!

NFCC ANNUAL TOY DRIVE

Help give back this Holiday season by participating in the North Fulton Community Charities annual Toy Drive! Last year this organization served over 700 families in the North Fulton area, and this community support isn't possible without YOU. A NFCC representative will attend this event to collect all toys to add to their December Toyland Shop program.

Young Pipeline Professionals (YPP) Objectives:

- Create Leadership Opportunities
- Foster Relationships and Build a Network for the Advancement of the Industry
- Address the Industry's knowledge gap

Members no more than 35 years of age must be employed or actively seeking employment by a pipeline owner/operator, service company, vendor or consulting company which directly serves the pipeline industry and have internal stakeholder support for YPP membership.

UPCOMING EVENT

BRIDGE WORKSHOP:

HOW THE PIPELINE INDUSTRY WILL "FUEL THE GLOBAL ENERGY DEMAND" & WHITE PAPER TRAINING

WORKSHOP SUMMARY

PRCI is hosting a YPP USA BRIDGE workshop on March 16th at their Technology Development Center (TDC) in Houston. This workshop is targeting young pipeline professionals who would like to increase their knowledge on pipeline industry topics related to "Fueling the Global Energy Demand" and better develop their white papers writing skills. The workshop will also help prepare YPP members for the YPP USA 2023 Symposium White Paper Competition.

WORKSHOP SCHEDULE

9:30AM: Arrival, Introductions, Safety Moment (PRCI)
10:00AM: BRIDGE Workshop (SMEs)
12:00PM: Lunch (PRCI)
1:00PM: Facility Tour (PRCI)

PIPELINE INDUSTRY SUBJECT MATTER EXPERTS (SMEs) will share their knowledge by leading discussions on topics relating to fueling the global energy demand such as leveraging existing U.S. infrastructure, emerging fuels, and decarbonization. These discussions will accompany guidance on how to write a successful white paper.

This workshop will be limited to 16 YPP members. Lunch will be provided and a tour of PRCI's TDC will be offered after the workshop. The workshop is on March 16th from 9:30am to 1:00pm including Lunch with an optional PRCI TDC Facility Tour at 1:00pm.

Best practices, risk assessment, industry economics, damage and protection, Quality assurance, and fabrication (BRIDGE) a BRIDGE workshop is an approach to knowledge sharing designed to educate young pipeline professionals and increase exposure to different perspectives to problem solving. BRIDGE workshops are structured as informal roundtable discussions between participants and subject matter experts (SMEs) to share best practices, lessons learned, and industry knowledge.

CHECK YOUR EMAIL FOR RSVP DETAILS!

Annual Mentorship Program

Relationship Building

- The mentorship program is an opportunity for YPP USA members to connect and be mentored by energy industry experts and leaders.

Career Development

- Receive guidance and support from respected members of the industry
- Learn about professional development opportunities through the wisdom of your mentor’s past experiences in the industry

Engagement

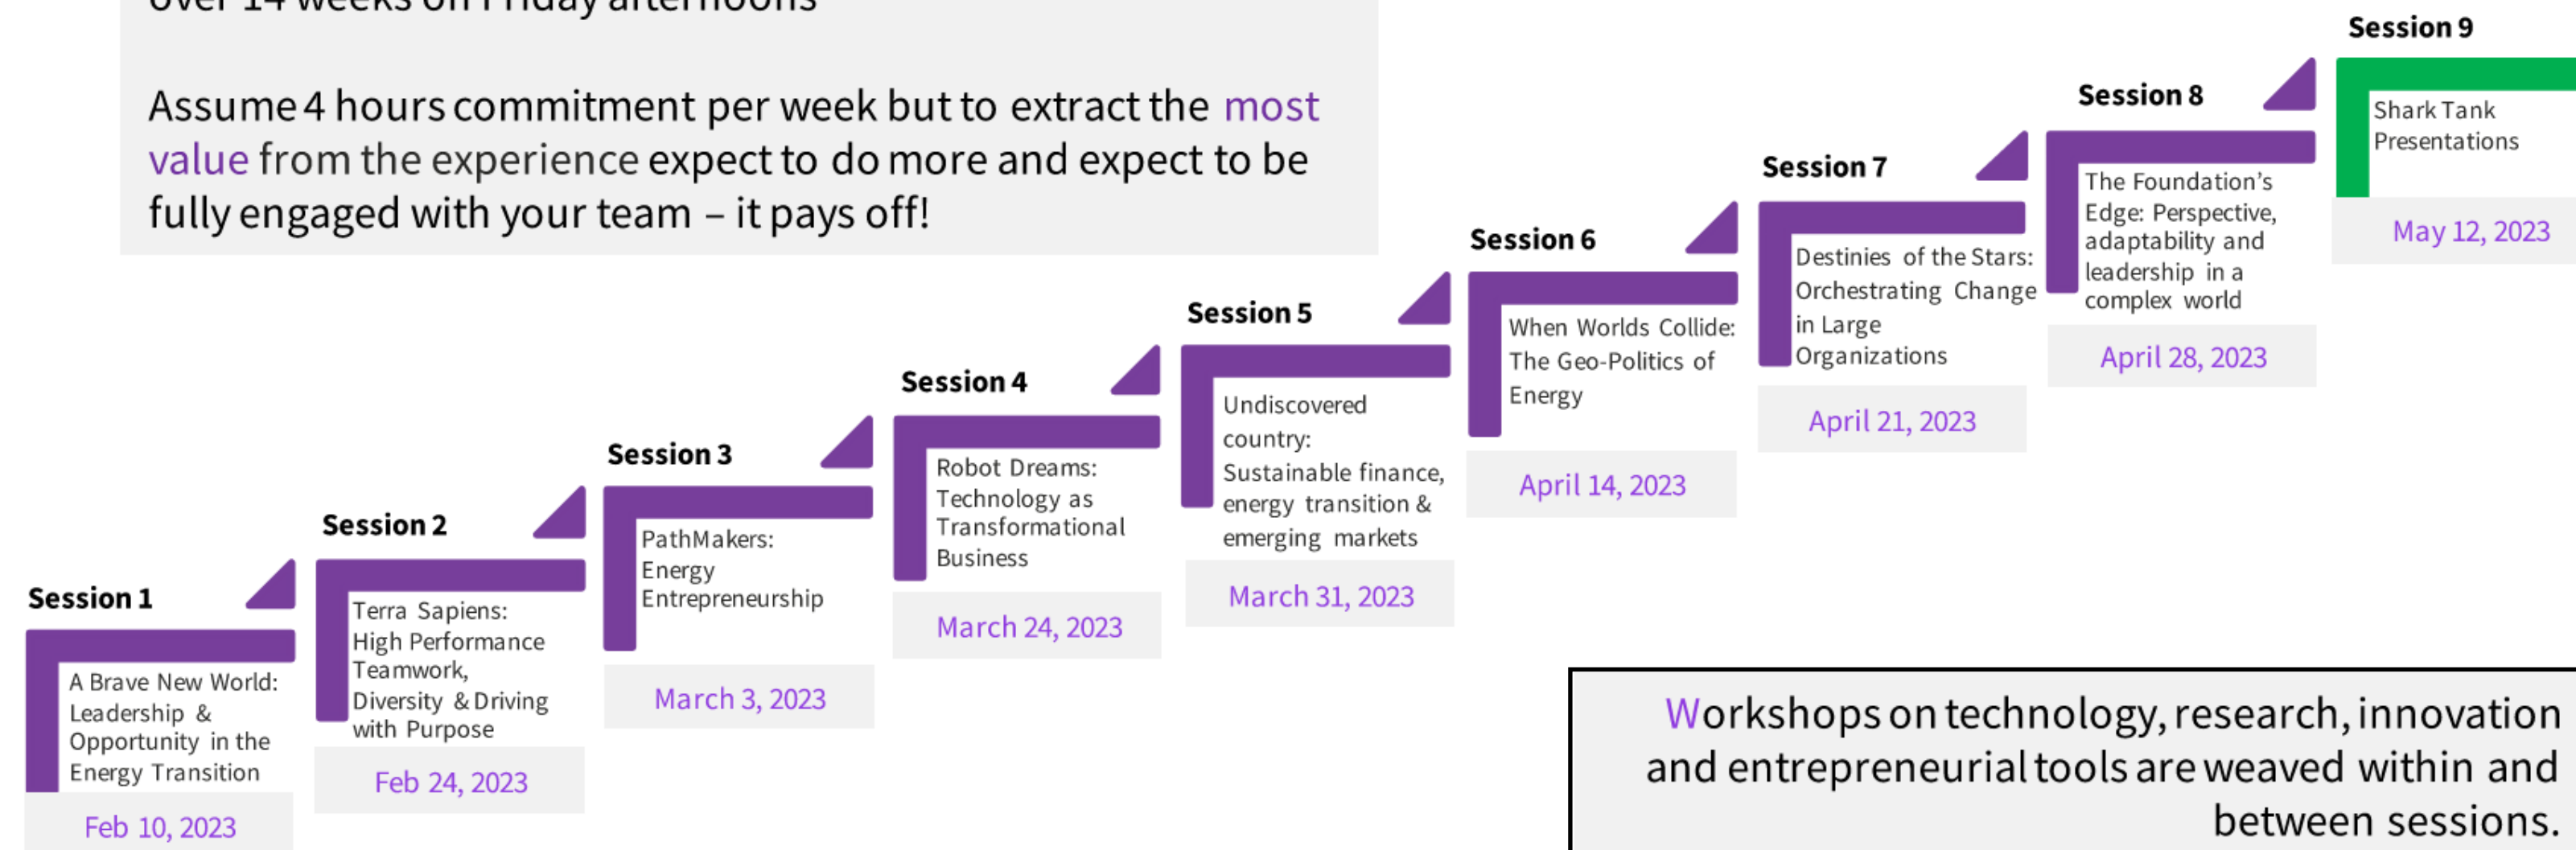

- The program consists of monthly meetings between mentorship pairs and three events for all participants (kick-off, mid-year, closing)

Month	Activity
March	Select Participants / Match Partners
April	Kickoff Event to Introduce Partners Partner Meeting #1
May	2023 YPP USA Symposium Meet Up Partner Meeting #2
June	Partner Meeting #3
July	Partner Meeting #4
August	Partner Meeting #5
September	Partner Meeting #6
October	Closing Event

Avatar Ignite Curriculum

30 hours of APEGA Accredited Curriculum delivered by Avatar over 14 weeks on Friday afternoons

Assume 4 hours commitment per week but to extract the **most value** from the experience expect to do more and expect to be fully engaged with your team – it pays off!

Technology Application Streams		
Carbon Capture & Utilization	Carbon Logistics and Storage	Sub-Surface as an Energy Transition Asset
Renewable Liquid Fuels	Methane Emissions Reduction	Grid & Power System Resilience
Hydrogen	Climate Resilient Infrastructure	H ₂ O
Clean AI	NetZero Hydrocarbon Products	Energy Storage

Other Industry Collaborations

Southern Gas Association (SGA)

- 12+ YPP members in SGA sub-committees
- 1 YPP member on SGA's executive council
- Training program tailored to YPP Members kicking off in June 2023
- Established program to provide free and discounted trainings to YPP members

American
Petroleum
Institute

American Petroleum Institute (API)

- CERAWeek – sponsored 5 YPP members in the Future Energy Leaders program
- Diversity, Equity and Inclusion efforts
- API speakers for YPP webinars and future YPP Symposiums

GTI ENERGY

Gas Technology Institute (GTI) Energy

- BRIDGE workshop planned for June 2023

Other Key Organizations YPP USA is Collaborating With:

- American Gas Association (AGA)
- Technical Toolboxes
- ASME PSD
- INGAA Foundation

2023 YPP USA Symposium

Fueling the Global Energy Demand

Join the discussion with industry leaders regarding the future of energy & opportunities presented as we face increasing challenges across the energy value chain.

Symposium Main Event

May 18th at Marriott Marquis Houston

Speakers will cover topics centered around the **role of pipelines in the energy expansion** and the **financial perspectives driving investments**.

Speaker Representation from leadership at:

YPP USA & ASME Pipeline Workshop

May 19th at ADV Integrity

Interactive workshop aimed at tackling emerging topics with industry leaders and subject-matter experts

2023 KEYNOTE SPEAKER

Toby Rice

President & CEO

2023 YPP USA Symposium

Fueling the Global Energy Demand

Symposium Main Event

Marriott Marquis, May 18th

2023 YPP USA Symposium

Fueling the Global Energy Demand

7:00AM – 8:00AM	Registration and Breakfast
8:00AM – 8:15AM	Opening Remarks
8:15AM – 9:15AM	Event Keynote with Toby Rice , President & CEO, EQT
9:15AM – 10:15AM	What Does the Energy World Look Like in Ten Years, Maynard Holt , Founder & CEO, Veriten
10:15AM – 10:45AM	Morning Break
10:45AM – 12:00PM	Operator Executive Panel [Moderator: Anne Kurtis , Partner, Director of Client Strategy & Sustainability, Adamantine Energy] Tina Faraca , President, US Natural Gas, TC Energy Chad Zamarin , EVP, Corporate Strategic Development, Williams Dan Gordon , SVP and CCO, Colonial Pipeline Company
12:00PM – 1:00PM	Lunch
1:00PM – 1:45PM	Connecting America's Energy Robert Halpin , President, Crestwood Midstream LP Diaco Aviki , EVP & COO, Crestwood Midstream LP
1:45PM – 3:00PM	Decarbonization and New Energies Roundtable [Moderator: Kurt Baraniecki , Director of Pipeline Integrity, Enbridge] Fiji George , Senior Director, Climate and Sustainability, Cheniere Daniel Droog , VP, New Energies Business Development, Chevron Caitlin Tessin , VP, Strategy & Market Innovation, Enbridge
3:00PM – 3:30PM	Afternoon Break
3:30PM – 4:00PM	Innovation in the Global Energy Market, Kevin Krausert , Co-Founder & CEO, Avatar Innovations Inc.
4:00PM – 4:15PM	White Paper Competition Results
4:15PM – 4:45PM	The People, The Knowledge, and The Pipelines, Kevin Tsang , Chair, ASME PSD
4:45PM – 5:00PM	Closing Remarks
5:00PM – 8:00PM	Reception, Poster Sessions, Sponsor Tabletop Booth Visits

2023 YPP USA Symposium

Fueling the Global Energy Demand

YPP USA & ASME Pipeline Workshop

ADV Integrity, May 19th

Keynote Speaker – To Be Announced

Roundtable #1 – Career Development Skills and Strategies

Roundtable #2 – New Energy Transition Speed Learning and Networking

Topics: Hydrogen, CCUS, RNG, Composite Piping, and more!

Roundtable discussions will be led by **industry executives** and **subject-matter experts**

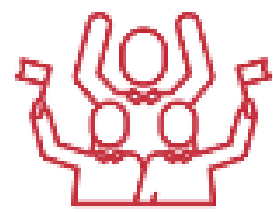

Headline
Sponsor:

2023 YPP USA Symposium White Paper Competition

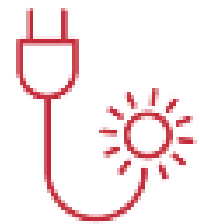

Each essay should explore how the pipeline industry will be “Fueling the Global Energy Demand” in 1500 words or less.

Topic Ideas

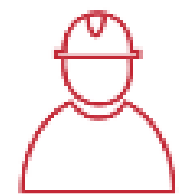

Public Perception

How can the industry better present its position to the general public?

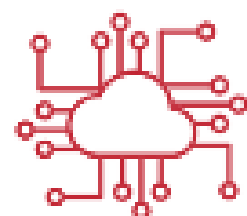

Low Carbon Energy

What is the role for pipelines?

Workforce

What can be done to ensure continuity?

Technology

What is needed, and what are the barriers to bringing innovations to market?

White Paper Partner

Prize

PRCI Research Exchange (San Diego) or
PRCI Emerging Fuels Symposium (Orlando)

- Free Admission
- Travel Grant
- Paper Presentation
